

Dear Friends, *Thank You!* 

As the Public Relations Officer, I am in the position to be a part of many meaningful events that take place in the Avery County Schools. Thanks to your contributions, the students who ride bus 116 will stay warm and protected from the inclement weather at their bus stop. Your act of kindness reminded me of the strong support that we have for the protection and welfare of our children. When Mitch, the bus driver, shared this story with me, it became one of my favorite for this school year. You saw a need and unselfishly put in place a plan that would reach out to our students. The students who will benefit from this shelter are very appreciative and wanted to say thank you. We, at Central Services, also

Thank you for caring . . . Thank you for doing!

Dear Mr. Bentley and "crew",
Just another note to say
thanks again for building the
warm shelter! We have the
best folks in Avery County!

Blessings,
Martha Davis
